

EDMONTON JUNIOR TENNIS SOCIETY

Edmonton Junior Tennis Society is officially declared as a True Sport member. All of our coaches believe and adhere to the True Sport principles in order to better the community through the sport of tennis.

TRUE SPORT PRINCIPLES

Include Everyone

At ETJS we share the love of tennis with all players. The coaches ensure that everyone has a chance to play and that no player is being excluded.

Stay Healthy

Here at ETJS, we place physical and mental health above everything. We promote treating your body with respect and avoiding unsafe activities.

Keep It Fun

ETJS strives for players to find the joy of tennis. The coaches promote a positive attitude on and off the field so players are able to fully enjoy the sport!

Go For It

ETJS coaches motivate players to rise up to challenges and to always strive for excellence. The coaches help players discover how talented they are.

Play Fair

Honesty is an important principle at ETJS in both the letter and spirit of the rules. Coaches will remind players how winning is only meaningful when the competition is fair.

Respect Others

The coaches will show respect for the players and the parents in order to achieve the best sporting experience on and off the field. Here at ETJS we win with dignity and lose with grace.

Give Back

ETJS is committed in giving back to the community that we live in. We want to thank the community for supporting the sport of tennis and for making what we do possible.
